

Experience

2015 - 2018

WAITER

Jin Poo Wok
Hulsberg

In my highschool period I worked at a Chinese restaurant called Jin Poo Wok. Here I did take care of the phone-calls, reservations, take away and serve people as a waiter.

2015 - Today

DESIGNER/CO-OWNER

Sourenbouwservice
Hulsberg

Since 2015 I have helped my dad within his company. Since 2020 I can call myself co-owner of the company, with already several completed designs over the past years. (Since the beginning of 2025 this is only in my free time, so in weekends and holidays)

Feb 2025 - Today

SERVICE MANAGER

Scheldebouw
Heerlen

In the beginning of 2025 I started at Scheldebouw as a service manager. We build and design facades for big buildings in mainly the Netherlands and London. My part in this is the service provided when projects are finished, so contact with client and knowledge about the buildings is key.

Volunteering

2014 - 2024

VOLUNTEER

Kindervakantiewerk
Hulsberg

Since 2014 I have been active as a volunteer to spend a week with children in their summer holiday. Here we eat, play and work together to give them a great week.

2024 - Today

VOLUNTEER

VRZL fire department
Hulsberg

In 2024 I started a new challenge to become a voluntary fireman in my village Hulsberg, this started with physical and mental tests along with some education. I like to help the people around me in need.

Education

2012 - 2018

Sintermeertencollege

Gymnasium
Heerlen

I spent my time in High School learning all the technical subjects such as Physics, Math and Chemistry. I completed my study in 2018.

2018 - Feb 2025

TU EINDHOVEN

Bachelor + Master
Eindhoven

In 2018 I started my Bachelor Architecture, Urbanism and Building Sciences. I completed this in 2022 and started my Master Architecture immediately after this, which I completed in 2025.
